

Prescott South Elementary School
3rd & 4th Grade
TRACS Supply List
2016-2017

Please use this list, not the list found at Wal-Mart near the start of school. If you need another copy, I will provide you one closer to the time of school. I just do not want you to purchase a lot of things we will not use. These items are things we use daily. There maybe additional items once your child works their way to the general education classroom.

* Please do not send the hand held pencil sharpeners.

Thank you,
Mrs. Angie
